IMPORTANT POINTS FOR KRIYA YOGA INITIATION

- CONGRATULATIONS on your decision to explore the divine path of Kriya Yoga.
 You will be amongst the very few having the secret knowledge of this simple, yet powerful technique of Kriya Yoga.
- Immediately after the initiation (Diksha), there will be a Kriya Yoga Camp and both will be conducted by the Himalayan Yoga Master, Sadguru Yogiraj Sri Sri Mangeshda, who is the direct disciple of Himalayan Yogi Sri Sri Mahavatar Babaji.
- 3. Regular practice enhances Self-belief and leads to Self-Recognition and Development of the practitioner (Sadhaka). Correct and disciplined practice will lead to the total development of Sadhakas.
- 4. Kriyabaan (a person initiated into Kriya Yoga) should maintain the secrecy about the Kriya techniques taught by Sadguru Yogiraj Sri Sri Mangeshda as this is an ancient old secret science.
- 5. Kriyabaans get the privilege to become a member of 'Sadguru Mangeshda Kriya Yoga Foundation' automatically.
